Math Their Way (MTW) • Grades K-2

- Focuses on children developing an understanding of and insight into the patterns of mathematics.
- Helps teachers understand how children can build relationships and interconnections in mathematics.
- Establishes an environment where learners deal flexibly with mathematical ideas and concepts.
- Emphasizes the implementation of the **Common Core and NCTM Standards for School Mathematics.**
- Provides opportunities to observe an experienced classroom teacher introducing, demonstrating, and modeling a variety of activities used throughout the year.
- Illustrates the importance of the teacher's role in observing children, keeping anecdotal records, and posing open-ended questions.

Please send me the recommended course text, Math Their Way for an additional $57.95 (plus shipping). Allow 7-10 business days for delivery. CA residents please add sales tax. Alaska, Hawaii, and international orders are subject to additional shipping charges.

☐ **Math Their Way** for an additional $57.95 plus $9.00 shipping.

☐ **Math Their Way Summary Newsletter** for an additional $22.55 plus $7.00 shipping. The Newsletter is also downloadable for free from www.center.edu as a pdf file.
