

# Graphing Observations

There are _____ _____ altogether.						
There are more _____ than _____.						
There are less _____ than _____.						
There is the same number of _____ and _____.						
There are _____ more _____ than _____.						
There are _____ less _____ than _____.						
There are more _____ than _____ and _____.						
There are less _____ than _____ and _____.						
(tally responses)						

DATE: \_\_\_\_\_

## WHEN TO OBSERVE:

Whenever desired while doing a group graph. Also can be used to tally the questions written by the class or by an individual.

OBSERVER: \_\_\_\_\_

## Question posed to generate this graph:

---

---

---

---

---

## Number of columns in graph:

2  
3  
4+

## Level of abstraction of graph:

REAL,  
PICTORIAL,  
SYMBOLIC
