

## Reading Program YouTube links

**Note:** The video clips were created from a VHS cassette way back in 2003. They are not exactly DVD quality. The smaller you make your viewing area, the better the quality of the video.

### The link to all 15 videos (works on most browsers)

<http://www.center.edu/iPadYouTubeClipsSpecial.shtml>

**Watch Clip 15 before viewing 1 through 14 in order**

### Links to each separate video

Click past any ads that might pop up

**Part 1** - 08:54 - Introduction

<http://www.youtube.com/v/BZbmVMiJShU>
